

Dyes & Chemical Market Effective Inventory Sharing Platform (ISP)

Basics to Start With:

1. Signup for an account at DCM ISP (Free for upload < 10 products or Paid for > 10)
2. Wait for your account to get approved.
3. Login to your account once approved.
4. Go to Profile and Select your Markets
5. Add your Warehouse Locations (where products are stored or shipped from)
6. Download the Excel Template and Fill it with Details of your products.
7. Upload that Excel on the Post Products Screen.

Features of ISP

1. Search Products

For Eg: If you belong to Dyes & Pigments, only members who are part of Dyes & Pigments will be able to search for your products.

The screenshot shows the 'Welcome To Product Search' interface. It includes a search bar with a 'Search' button and a 'Reset' button. Below the search bar is a 'Market' dropdown menu set to '-All My Markets-', a 'Show Market(s)' checkbox, and a '*Default Currency' dropdown menu set to '\$ USD'. There are also buttons for 'Email All Members In My Markets' and 'Forward This Search', and pagination controls for 'First Page', 'Previous', '4', 'Next', and 'Last Page'. A table of search results is displayed below, with columns for 'CAS-Number', 'Product-Name', 'Description', 'Quantity', 'UOM', and 'Pricing'. The table lists various chemical products such as 'Direct Yellow 87 BASE', 'Orange Base', 'B.H.K Acid', '2(4 Ethyl Benzoyl)', 'Benzoic Acid', '2(4 Methyl Benzoyl) Benzoic Acid', '1-Phenyl3-Methyl-5', 'Pyrazolone 1-(3-Chloro) Phenyl-3', 'Methyl-5-Pyrazolone 1-(-2-Methyl-5-Methyl-5-', and 'Sulpho) Phenyl-3- Methyl-5-'. Red callouts with numbers 1 through 6 point to the search field, market filter, company name/market, default currency, email button, and forward button respectively.

1. Search Field where you can enter your product name
2. Filter by Market which you are Part of
3. Shows the Company Name and the Market where the Product is Posted
4. If Price is present, select your default currency
5. If a product is not found, broadcast an email to all members in your own markets.
6. Forward this search result to someone.

2. Product Details Screen.
